Korey Jones, Lodge President**

Brothers,

Today I regret to inform you I have accepted the resignation of brother Chris Pierce from his Local Chairman position. Brother Pierce has been instrumental in unifying and protecting each one of us from unscrupulous accusations. The diligence and time he put into this lodge is unprecedented. The Local Chairman job is often a thankless job with many responsibilities. Brother Pierce served this Lodge for many years in this position honorably. On behalf of Lodge 6760 I want to thank him for his tireless efforts and diligence to serve the members of this lodge.

I have decided to appoint brother James Ramey to interim Local Chairman. Brother Ramey has 12 years on the railroad and many of those years he has served under Brother Pierce as Portsmouth Ohio VLC. Brother Ramey will be resigning his current job as Vice President to our Lodge and will be training and working with our National Rep, Dennis Wilson. Thank you all for your service to protect and educate other members of their rights and Labor Laws.

Fraternally yours,

Korey Jones

President

Lodge 6760
